Approving the Outside Interests Disclosure Form – With Conflicts

Executive Form

IRIS Mobile through the Web

The Outside Interests Disclosure Form is for the University of Tennessee faculty and staff to disclose outside interests as required by the University's Conflict of Interests Policy which can be found here:

https://iris.tennessee.edu/wp-content/uploads/sites/13/2018/05/PolicyFI0125.pdf.

The OID Executive form is for employees including CBOs, Chancellors, the President, and other executive employees to identify any potential conflicts of interests.

The OID form is available through the *IRIS Web Portal* and routes to the IRIS Inbox of the employee's supervisor for approval. The supervisor receives a system generated email notification that an OID work item is pending their review. In this example, once an executive form with a conflict of interests is approved by the supervisor, the form continues in IRIS workflow for further review. Approval paths for the OID form can be found here: https://iris.tennessee.edu/approving-outside-interest-disclosure.

The IRIS Inbox is available through the *IRIS Web Portal* or through the direct links below.

- 1. Access *IRIS Mobile* through the *IRIS Web Portal* here: <u>https://irisweb.tennessee.edu</u> and click the *IRIS Mobile* tab. This method is demonstrated in this help document.
- 2. Alternatively, the IRIS Inbox can be accessed in a browser by visiting the *IRIS Mobile* site directly here: <u>https://irismobile.tennessee.edu/fiori</u>. The logon screen is shown below and requires the same NetID and password used for logging into IRIS.

- Note that the IRIS Inbox can be accessed directly here: <u>https://irismobile.tennessee.edu/fiori#zOIDemp-display</u>
- This document demonstrates the approval process for the supervisor approving an OID form **with** conflict of interests disclosed by an executive employee.
- In this example, the IRIS Inbox is accessed by option #1 above, *IRIS Mobile* through the *IRIS Web Portal*. Authenticate with your NetID and password. If you need assistance with your NetID, click one of the links to the left.
- NOTE: Make sure your browser settings are set to allow pop-ups from this address.

Outside Interest Disclosure

The Outside Interest Disclosure (OID) form is the means by which employees disclose certain interests and activities to the University. If you are a regular faculty or staff employee, the University of Tennessee requires you to submit an OID form annually, or whenever your reporting status changes. Please see the details below for more information.

Employees

Click <u>HERE</u> for everything you need to know about submitting your Outside Interest Disclosure form.

Approvers

Click <u>HERE</u> for everything you need to know about reviewing and approving Outside Interest Disclosure forms that have been submitted for your review.

Policy

All qualifying employees are required to disclose conflicts of interest annually, or when their reporting status changes. Click <u>HERE</u> to review the full policy.

- Once the form has been reviewed, answer the required questions on the OID Forms (Approver) screen. In this example, the employee does have outside interests to disclose. The options on this screen are as follows:
 - Question 1 defaults to Yes due to the identified potential conflicts for this employee.
 - Question 2 is regarding your opinion of the disclosed potential conflict of interests and must be answered to proceed.
 - If answered Yes or Unsure: Once approved, the OID form is routed to the Committee Review level for further review, or wherever is appropriate as determined by the workflow for the employee's position.
 - If answered No: Once approved, the OID form is complete and does not require any further review.
 - A description of the potential conflict and your recommendation for resolving or monitoring can be entered in the provided text field. Additionally, approver comments can be added by selecting the **Comments** icon on the left side of the screen. A separate document can be attached by selecting the **Attachment** icon and then **New** as shown in the example below.
